1. Introduction

1.1 Audience

This document is meant for all those stakeholders who are associated with WDC-PMKSY 2.0 Management Information System (WDC-PMKSY 2.0 MIS). MIS software is a web based system which can be accessed from anywhere anytime. An Internet Browser with Internet connectivity is only required to access the MIS software. The URL address to access the MIS software online is <http://wdcpmksy.dolr.gov.in> where each stake holders will enter the data related to WDC – PMKSY 2.0 projects with respect to their domain. The software is a workflow based system where participation of each stake holders is must.

A separate site, which is replica of original site, has also been made operational for the practice purpose for all the stakeholders. We may call this site as practice site. The purpose of practice site is to familiar fully with the WDC-PMKSY 2.0 MIS software before feeding the data on the original site. The URL address to access the practice site is <http://wdcpmksy.dolr.gov.in/TEST>. Users can access the site from any network at any time.

1.2 Purpose of this document

This document attempts to describe the operational aspects of WDC-PMKSY 2.0 MIS **software** with a view to assist all those who will be using the software. The document provides step-wise instructions for handling various aspects of the software with visual screens for easy and better understanding.

1.3 Document Organization

The document is divided into seven chapters.

Chapter 1: Introduction – This Chapter provides an Introduction about purpose of the document, how to access WDC-PMKSY 2.0 MIS software and contact address for reporting the problems encountered, if any, while using the software or related with this document.

Chapter 2: Brief Overview – This Chapter gives an overview of the WDC-PMKSY 2.0 Programme, about WDC-PMKSY 2.0 MIS and target users.

Chapter 3: General Workflow - This Chapter provides a description about the workflow of WDC-PMKSY 2.0 MIS software.

Chapter 4: User Module – This Chapter provides a initial process of WDC-PMKSY 2.0 MIS system. It explains how the user can be register for each stake holder.

Chapter 5: SLNA Admin- User Module – This Chapter provides an initial process of WDC-PMKSY 2.0 MIS system. It explains how the user is created and assigned to different roles for which they are responsible i.e. how to get user id /password for each user. The role of SLNA Administrator has been described in this chapter.

Chapter 6: Project Module - This chapter provides how the project nomenclature and basic details related to projects may be entered by different stake holders.

Chapter 7: Baseline Survey - This chapter provides how the baseline survey data may be captured and entered by Project implementing Agency.

Chapter 8: Plan and Achievement - This chapter provides about how to enter the Physical action Plan / Achievements related to projects and create the Work id with the flow of processes from different stake holders.

Chapter 9: Progress During Project Implementation - This chapter provides about how to update the Plot wise data, if any change due to watershed activities in the project area. Some additional outcome parameter and other details has also been discussed in this chapter.

1.4 Definitions/Glossary

This section gives a glossary of terms used in the rest of the document.

Term	Description
WDC-PMKSY 2.0 MIS	Watershed Development Component (WDC) – Pradhan Mantri Krishi Sinchayee Yojana 2.0 Management Information System
DOLR	Department of Land and Resources
SLNA	State Level Nodal Agency
WCDC	Watershed Cell-cum-Data Centre
PIA	Project Implementing Agency
GP	Gram Panchayat
WC	Watershed Committee

1.5 Problem Reporting

In case of any problem related to the software or to this document, please write an E-mail to **support-wdcpmksy@nic.in , 011-24360593**

2. Brief Overview

2.1 Introduction

The Department of Land Resources (DoLR) was earlier implementing three area development programmes namely Drought Prone Area Programme (DPAP), Desert Development Programme (DDP) and Integrated Wastelands Development Programme (IWDP) on watershed basis. These three programmes were integrated and consolidated into a single modified programme called the Integrated Watershed Management Programme (IWMP) with effect from 26.02.2009. Department of Land Resources has sanctioned 8214 watershed development projects in 28 States (except Goa) [during the period 2009-10 to 2014-15] (now 27 States and 2 Union Territories of Jammu & Kashmir and Ladakh) covering an area of about 39.07 million hectare, under Integrated Watershed Management Programme (IWMP) for development of rainfed and degraded areas. The activities undertaken, *inter alia*, include ridge area treatment, drainage line treatment, soil and moisture conservation, rainwater harvesting, nursery raising, afforestation, horticulture, pasture development, livelihoods for assetless persons, etc. In 2015-16, the IWMP was amalgamated as the Watershed Development Component (WDC) of the Pradhan Mantri Krishi Sinchayee Yojana (PMKSY). Since inception of the scheme, an amount of Rs. 19926.67 crore has been released to the States /UTs as Central share.

The defined life span of WDC-PMKSY got over in March, 2021. However, on the request of various States/UTs and with due approval of the competent authority, the project period has been extended till March, 2022.

The Government has approved the continuation of programme as WDC-PMKSY 2.0 for the period from 2021-22 to 2025-26 with physical target of 4.95 million ha and indicative financial outlay of Rs. 8,134 crore, as the Central share. Under WDC 2.0, a total of 1099 projects have been appraised and sanctioned in 28 States and UT of J &K.

WDC-2.0 shall be implemented according to the Guidelines for New Generation Water which has already been issued to the States /UTs. The main features and the major improvements envisaged in the new guidelines *inter alia* include the following:

- The cost norm of Rs. 28,000/- per ha. for hilly & difficult area, Rs.22,000/- per ha. for other areas and upto Rs. 28,000 per ha. for watershed projects in Integrated Action Plan (IAP) Districts.
- DPR of projects to be based on actual requirement. Per unit cost as proposed from Center, and over & above cost to be met by States through convergence or from their own budget.
- Geo-tagging of all planned activities before implementation, Outcome and impact-oriented and user-focused monitoring (before & after).
- Project period reduced from 4 - 7 years to 3-5 years.
- Introduction of Farmers Producers Organizations (FPO) right from planning stage of the project.
- Focused efforts on climate change issues.
- Spring-shed development- Introduced as new activity under watershed projects.

- Introduced building Land Resource Inventory at least for 10% of the sanctioned projects.
- Introduced- Participatory Water Budgets is to be carried out one each in pre and post rainy seasons.

Therefore a Management Information System of WDC-PMKSY 2.0 has been developed and deployed which may act as a tool for monitoring of projects sanctioned by DoLR, Govt of India. It captures the basic information related to each project such as Base line Survey details of each project, Financial targets/plan and achievement related to each project, Ground water table. FPOs/ SHGs, EPAs/Livelihood/Production system etc. There are different stake holders at each level who will be filling these data online. The stakeholders can also view the flow of action plan/achievement against each project at all levels. A citizen section provides to view the reports available in public domain.

2.2 Features:

WDC-PMKSY 2.0 MIS software is a webbased workflow system that facilitates to cover all the projects sanctioned by DOLR in 27 States and 2 UTs. Financial data would be integrated in MIS from PFMS system along with integration with NRSC 2.0 geo-spatial applications. The key features of the software are :

Workflow and Integration - Captures the workflow of Physical Action Plan/achievements/Work-ID against the projects. WDC-PMKSY2.0 MIS is an integrated system with PFMS and NRSC 2.0 Applications. LGD code has been used for integration between the applications.

Reports - A number of reports are generated to help even a general user in a very effective way. There is a vast range of reports for the ease of the application users. A number of detailed reports are incorporated there.

Availability – The software is web based and is available on 24*7 basis with proper login authentication.

Security - Encrypted password are used and password expiration facility for the continuous wrong entry of the password. WDC-PMKSY2.0 software has been security audited.

2.3 Target Users

WDC-PMKSY 2.0 MIS users include:

- Central Government Departments
- State Government Departments
- Rural Local Bodies
- District-Level Line Departments
- Financial Institutions
- District Planning Committees
- Citizens

In WDC-PMKSY 2.0 MIS there are various Stake holders who would be responsible to enter the data related to WDC-PMKSY 2.0 Projects. These stake holders are : DoLR (Govt. of India) , SLNA, WCDC,PIA. PIA would be responsible to feed the data on behalf of GP and WC.

All the reports related to WDC-PMKSY 2.0 projects would be in the public domain which can be accessed by citizen.The diagram shows the various Users of WDC-PMKSY 2.0 MIS application.

3. General Workflow

WDC-PMKSY 2.0 MIS software is based on workflow system. The information/data flows from one stake holder to another stake holder. In this software, there are different stake holders who have different roles and functions. These stake holders are DoLR , SLNA, WCDC (District) ,PIA (Project Implementing Agency). User-ID and Password is being provided to each level of stake holders. Different functions associated with each stake holders are described below for which data entry is to be made.

3.1 DoLR stake holder:

- Entry of New project sanctioned to States
- Upload of Success Stories/Best Practice of States

3.2 SLNA stake holder:

- Add State Profile
- Entry of Training/Capacity Building
- Approval/Rejection of Annual Action Plan/Achievement
- Mapping of projects with PFMS transaction at SLNA level

3.3 SLNA Admin stake holder:

- Activation of PIAs account with Userid/Pwd and then assign the project
- Upload of Success Stories/Best Practice of States
- District Approval required in the whole process
- Reset Password of PIA/WCDC level

3.4 WCDC stake holder:

- Approval/Rejection of Annual Action Plan/Achievement
- Approval/Rejection of Work Ids
- Mapping of projects with PFMS transaction at WCDC level

3.5 PIA stake holder:

- Add Project Location and mapping of Watershed Committees
- Add Project preparedness
- Add Baseline Survey i.e. pre-project status
 - ❖ Plot wise Details

- ❖ Ground Water Table
- ❖ Existing SHGs
- ❖ Existing FPOs
- Physical Annual Action Plan(as per DPR)
 - ❖ Create Work-id along with location
- Physical Achievement of a project related to Watershed Works
 - ❖ Status of work id
- Progress during Project implementation/Outcome
 - ❖ Updation of Plot wise details
 - ❖ Add Ground Water Table (Year wise)
 - ❖ Add New SHGs
 - ❖ Add New FPOs
 - ❖ Add details of User Group
 - ❖ Add Livelihood & Microenterprises Activities
 - ❖ Add Production System Activities
 - ❖ Add Entry Point Activities (EPAs)

4. User Module:

User Management is the initial process of WDC-PMKSY2.0 system. Here user is created and assigned to different roles for which they are responsible. User creation is a very simple process.

For creating a new user follow Registration link on home page. As user clicks on Registration link, New User Registration window will appear.

4.1 Creating a New User:

For creating a new user select the appropriate User type from the drop down and fill the relevant details.

The form is titled "New User Registration". It contains the following fields:

- User Type***: A dropdown menu showing options: --Select--, -Select-, DoLR, SLNA, WCDC, PIA, NGO. The "-Select-" option is currently selected.
- State***: A dropdown menu showing options: --Select--
- Name***: An input field labeled "Name".
- Department***: A dropdown menu showing options: Department. The "Department" option is currently selected.
- Designation***: An input field labeled "Designation".
- Email***: An input field labeled "Email Id".
- Mobile***: An input field labeled "Mobile".
- Phone(EX: STDCode-Phone Number)**: An input field labeled "Phone".
- Fax**: An input field labeled "Fax".
- Address***: A large input field labeled "Address".
- Type the characters given in image***: A text input field containing "Zv6C6c".
- Image CAPTCHA**: A small image of a green field with a path.
- Register**: A blue button with white text.

Here in this system there are different types of user.

PIA – This user works on multiple projects for which he/she have permission.

WCDC – This user works on single district having permission for all projects.

SLNA – This user works on single state.

DOLR – This user works on multiple states.

4.2 Creating a DoLR User:

Select the DOLR from the drop down and fill the form as Instructed then select the state(s) for the user listed below. After completing the form click on save button to save the data. Note down the Registration-ID.

New User Registration

User Type*	State*
DoLR	--Select-- ANDHRA PRADESH ARUNACHAL PRADESH ASSAM BIHAR CHHATTISGARH
Name*	Dr CP Reddy
Department*	Designation *
Department of Land Resources	Senior Additional Commissioner
Email*	Mobile
drcpreddy@nic.in	9013088381
Phone(EX: STDCode-Phone Number)	Fax
Phone	Fax
Address*	
NBO, Nirman Bhawan	
Type the characters given in image*	 
<input type="button" value="Register"/>	

wdcpmksy.dolr.gov.in says

Your registration ID is WDC-PMKSY-000416
Kindly forward your registration id to support help desk of
DOLR(support-wdcpmksy@nic.in)

4.3 Creating a SLNA User:

Select the user type 'SLNA' from the drop down and fill the form as Instructed then select the assigned state for the user. After completing the form click on save button to save the data. After saving the record, creating another user or moving back to home page is as same as DOLR user creation process. Note down the Registration-ID.

New User Registration

User Type*	State*
SLNA	--Select--
Name*	
Department*	Designation*
Department	Designation
Email*	Mobile*
Email Id	Mobile
Phone(EX: STDCode-Phone Number)	Fax
Phone	Fax
Address*	
Address	
Type the characters given in image * BU7tOR 	
<input type="text" value=""/> <input type="button" value="Register"/>	

4.4 Creating a WCDC User:

Select the user type 'WCDC' from the drop down and fill the form as Instructed then select the state then district and block(s) for the user from the list. After completing the form click on save button to save the data. After saving the record, creating another user or moving back to home page is as same as DOLR user creation process. Note down the Registration-ID.

New User Registration

User Type*	State*
WCDC	--Select--
District*	Name*
--Select--	Name
Department*	Designation*
Department	Designation
Email*	Mobile*
Email Id	Mobile
Phone(EX: STDCode-Phone Number)	Fax
Phone	Fax
Address*	
Address	
Type the characters given in image*	
<input type="text" value="Vz3TRJ"/> 	
<input type="button" value="Register"/>	

4.5 Creating a PIA User:

Select the user type 'PIA' from the drop down and fill the form as Instructed then select the state, district, block and then project(s) of the selected block for the user. After completing the form click on save button to save the data. After saving the record, creating another user or moving back to home page is as same as DOLR user creation process. Note down the Registration-ID.

New User Registration

User Type*	State*
PIA	--Select--
District*	Name*
--Select--	Name
Department*	Designation*
Department	Designation
Email*	Mobile*
Email Id	Mobile
Phone(EX: STDCode-Phone Number)	Fax
Phone	Fax
Address*	
Address	
Type the characters given in image*	
 	
<input type="text" value="BJnCpP"/> <input type="button" value="Register"/>	

5. SLNA User- (User Module)

5.1 Add Activities of Physical Action Plan to Completed Projects

- Select project and financial year from the dropdown menu
- Then add list of activity by using the name of head, name of activity dropdown menu and fill plan quantity/Area to be developed
- Click on add new row and repeat the same process for adding more rows
- Keep in mind that heads/activities already existing in the physical action plan cannot be added again
- User can also delete wrongly added PAP data by clicking on delete button
- After that check all the filled physical action plans and save the PAP by clicking on the save button

Source : WDC-PMKSY

After clicking on Download button following page will appear from here user can take the print out. After taken the printout, send the form (PIA level user account) by putting your signature with rubber stamp in it through mail/E-mail to your SLNA MIS co-coordinator for activation. Only SLNA/WCDC user account will be provided by DoLR Admin and e-mail can be send to **support-wdcpmksy@nic.in**

Login Page

The screenshot shows the login interface of the Watershed Development Component-Pradhan Mantri Krishi Sinchayee Yojana 2.0 - MIS. The login form is centered over the image. It includes fields for User-name (superuser), Password (BzaF73), and Security Code (BzaF73). A 'Login' button is present, along with a link for 'Sign up for New User'. The top navigation bar features the Indian Government logo, the title 'Watershed Development Component-Pradhan Mantri Krishi Sinchayee Yojana 2.0 - MIS', and links for About, Reports, Dashboard, Sites, Documents, Contact Us, Login, and Register.

The screenshot shows the system dashboard. On the left, a sidebar lists 'Menu Management', 'User Management', 'Inactive Menu', 'Master', and 'Reports'. The main area is titled 'Welcome SYSTEM' and displays a profile for 'SYSTEM'. The profile includes fields for User Name (SYSTEM), State (dropdown menu showing 'Select', 'ANDHRA PRADESH', 'ARUNACHAL PRADESH', 'ASSAM', 'BIHAR', 'CHHATTISGARH'), District (empty input field), Email (empty input field), Phone (empty input field), Mobile (empty input field), Fax (empty input field), and Address (empty input field). An 'Update Profile' button is at the bottom. The top navigation bar includes the Indian Government logo, the title 'Watershed Development Component-Pradhan Mantri Krishi Sinchayee Yojana 2.0 - MIS', and a 'Digital India' logo.

After Login into the Super user has to follow the “” link in User Management menu to open the User Search screen. From here Super user can search the user by entering the given criteria. In **Search form**, select **New from Status and Appropriate User type**.

New User Registration id (View/Download PDF)

The screenshot shows the homepage of the Watershed Development Component-Pradhan Mantri Krishi Sinchayee Yojana 2.0 - MIS (TESTING SITE). The header includes the Indian emblem, the name of the scheme, and the government entities involved: Department of Land Resources, Ministry of Rural Development, and Government of India. On the right, there's a Digital India logo. The main menu has links for Home, About, Reports, Dashboard, Sites, Documents, Contact Us, Login, and Register. A sub-menu for 'View/Download PDF for new user Registration' is open, showing a registration ID (00075) and a 'View/Download PDF' button. A modal dialog box is centered, asking 'Do you want to View/Download ?' with 'OK' and 'Cancel' buttons. The background shows some footer text about data updates and browser requirements.

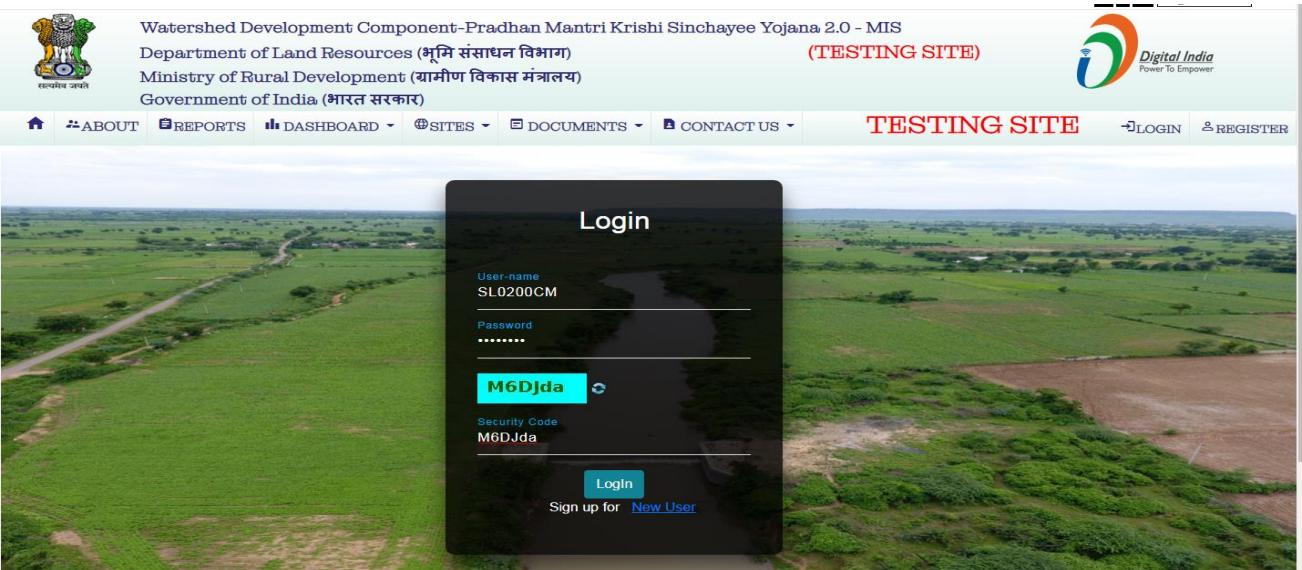

The screenshot shows a PDF document titled 'View_New_Registration (1).pdf'. The header of the PDF contains the text 'Department of Land Resources' and 'Ministry of Rural Development'. Below this, it says 'Watershed Development Component-Pradhan Mantri Krishi Sinchayee Yojana (WDC-PMKSY)'. A section titled 'View New Registration PDF' displays a table with the following data:

Registration Id	Name	Department	Designation	Email	Mobile	Address
WDC-PMKSY-00075	RAVI TOMAR	RGM	BC	savitomar@gmail.com	7049895243	janpad panchayat thandla

At the bottom of the PDF, it says 'Report generated by WDC-PMKSY software on 23/Aug/2022 05:32 PM' and 'Source : WDC-PMKSY'.

After clicking on Download button following page will appear from here user can take the print out. After taken the printout, send the form (PIA level user account) by putting your signature with rubber stamp in it through mail/E-mail to your SLNA MIS co-coordinator for activation. Only SLNA/SLNA Admin user account will be provided by DoLR Admin and e-mail can be send to **support-wdcpmksy@nic.in**

District approval Required ?

1. Data entered by PIAs has to be verified/approved by District and SLNA.
2. Approval by District (WCDC) is not mandatory. State has to decide by filling "DISTRICT APPROVAL FORM".
3. Approval by SLNA is mandatory. After approval of data by SLNA, data would be locked and no request would be entertained for unfreeze of data.
4. Please confirm whether you want District to verify/approve the data filled by PIAs. It is being instructed to MIS Coordinator to fill up the form only after approval from your CEO.
Kindly send the copy of approval of CEO to support-wdcpmksy@nic.in.
5. Please Note that in case of verify/approval from District is not selected, all verify/approvals of data of PIAs will be done at SLNA level only.

Your present selection for District Approval is : **[NO]**

YES NO

6.9 Activate Villages

- Select the State LGD Directory Level, District and Block name from the dropdown menu and click on submit button
- After that you will see inactive villages list
- Villages you want to activate, Tick those villages and click on Activate selected villages button

The top navigation bar includes the Indian Government logo, the title 'Watershed Development Component-Pradhan Mantri Krishi Sinchayee Yojana (WDC-PMKSY)', and the 'Digital India' logo. The left sidebar has a dark theme with options: 'Add Initial Project Details', 'Add Project Location Details', 'Project Preparedness' (which is selected), and 'Reports'. The main content area has tabs: 'Add Project Location' (selected), 'Add Watershed Committee', and 'Mapping of Village and Watershed Committee'. The 'Add Project Location' tab displays fields for 'Projects' (selected: BANKA-PMKSY-4/2021-22) and 'Block(s)' (selected: AMARPUR). A note says 'Blocks: (Kindly select the blocks which are being covered in the project area)'. A dropdown menu lists blocks: AMARPUR, BANKA, BARAHAT, BAUSI, BELHAR, CHANDAN, DHURAIYA, FULLIOUMAR, KATORIA. Another note says 'Villages: (To select more than one village, Use control key in combination with mouse click)'. A dropdown menu lists villages: Subhanpur, Gangapur, Bhadaria Khurd, Kuthariahat, Aminpur Arazi. A note says 'Note: To select more than one block, Use control key in combination with mouse click'. Below these are buttons: 'After selecting the village(s) press on Go button' and a teal 'Go' button. The bottom section is titled 'List of villages covered in the project area' with a table:

Block	GramPanchayat	Village	Action
AMARPUR	SOBHPUR	Subhanpur	Delete
AMARPUR	BHADARIYA	Gangapur	Delete

Show: 10 entries Search:

Showing 1 to 2 of 2 entries Previous Next

Buttons at the bottom: 'Save as Draft' and 'Complete'.

7.5 Add Watershed Committee

- Click on Add watershed committee button
- Select project from dropdown menu
- Then enter watershed committee and click on save button
- User will get the list of saved watershed committee
- User can also delete wrongly added watershed committee by clicking on delete button

The screenshot shows a web-based application interface for managing watershed committees. At the top, there is a header with the Indian tricolor logo, the text "Watershed Development Component-Prahar Mantri Krishi Shikayee Yojana (WDC-PMKSY)", "Department of Land Resources (मृदि संसाधन विभाग)", "Ministry of Rural Development (राजीव निकाय संबंधीय)", and "Government of India (भारत सरकार)". On the right, there is a "Digital India" logo and a welcome message "Welcome, Neetu Agarwal (DIA Head) -".

The left sidebar contains navigation links: "Add Initial Project Details", "Add Project Location Details", "Project Preparation", and "Reports".

The main content area has tabs: "Add Project Location", "Add Watershed Committee" (which is selected), and "Mapping of Village and Watershed Committee". A green success message "Watershed Committee Created successfully" is displayed.

The "Add/View Watershed Committee" section includes fields for "Project" (set to "BANKA-PMKSY-4/2021-22") and "Enter Watershed Committee" (with value "BANKA1"). A "Save" button is present.

A table titled "List of Watershed Committee added" displays two entries:

Select All	Watershed Name
<input checked="" type="checkbox"/>	BANKA1
<input checked="" type="checkbox"/>	BANKA2

At the bottom of the table, there is a "Delete" button.

7.6 Mapping of Village and Watershed Committee

- Click on Mapping of Village and watershed committee button
- Select Project Name from dropdown menu
- Assign watershed committee to the block/villages from the entries shown and click on save as draft button
- Finally after checking all the details click on complete button

S No.	Name of FPOs	Dept. /Org./Scheme.	Registration No.	Date of Registration	No. of members of FPO	Core Activity	Avg. turnover of FPO(in rs.)	No of Farmer Associated with FPO
-------	--------------	---------------------	------------------	----------------------	-----------------------	---------------	------------------------------	----------------------------------

8.6 Add Ground Water Table (At the time of Baseline Survey)

- Select project from the dropdown menu and Choose At the time of Baseline Survey
- Fill ground water table data (At the time of Baseline Survey)
- Decimal (.) is allowed in only five fields. (pre-monsoon, post-monsoon, pH, Nitrate and Fluoride)
- Click on save button for save Ground Water Table Baseline Survey data
- User can also delete wrongly added GWT data by clicking on delete button
- After checking the data click on complete button.

9. Physical Action Plan & Achievement (Module)

9.1 Create Physical Annual Action Plan (As per DPR)

- Before filling the physical plan, go to the Project Preparedness sub-menu and save the DPR status to Yes, only then you will be able to fill the physical plan for the projects.
- Click on Create Physical Annual Action Plan button
- Select project and financial year from dropdown menu
- Then add list of activity by using the name of head, name of activity dropdown menu and fill plan quantity/Area to be developed
- Click on add new row and repeat the same process for adding more rows
- After adding all the entries click on save as draft button
- User can also delete wrongly added PAP data by clicking on delete button

- Check the final list of activity and click on checkbox as YES in “Whether all the activities have been covered for FY (2021-22) as per DPR?”
 - Add remarks if any and then click on forward button

Forwarded List of Work With Temporary Work Id

Projects:	Get Forwarded Work			
JAMUI-WDC - 5 /2021-22				

Project	Year	Temporary Work Id	Name of Activity	Block	Village	Activity Type	Currently at
JAMUI-WDC - 5 /2021-22	2021-22	28568	Ground Water recharge Structure	JAMUI	Udaipur		WCDC(Jamui)
	2021-22	28567	Total Afforestation	JAMUI	Kakan		WCDC(Jamui)

Note:- Temporary Work-Id is just for reference purpose. It would be deleted and New Work-Id would be provided after completion of Work by the SLNA.

9.5 Work Id (WCDC Level for Approval)

- Select project from dropdown menu and click Get Pending Work button
- Click on Forward/Rejection link under the action head
- Choose Action as Forward or Reject option
- Mandatorily put remarks if in case of rejection

The screenshot shows a user interface for managing work items. At the top, there's a header with the Indian emblem, the text "Watershed Development Component-Pradhan Mantri Krishi Sinchayee Yojana 2.0 - MIS", and the "Digital India Power To Empower" logo. A central modal window titled "WDC-PMKSY" asks "Do you want to Forward work(s) 28568,28567?". Below the modal, a "Work List" table displays two rows of work items. Each row includes columns for Project, Fin. Yr., Temporary Work Id, Name of Activity, Block, Village, Activity Type, Remarks, and Action (Forward or Reject). The "Remarks" column contains empty input fields. At the bottom of the table, there are "Forward" and "Reject" buttons.

Select All	Project	Fin. Yr.	Temporary Work Id	Name of Activity	Block	Village	Activity Type	Remarks	Action
<input checked="" type="checkbox"/>	JAMUI-WDC - 5 /2021-22	2021-22	28568	Ground Water recharge Structure	JAMUI	Udaipur	undefined	<input type="text"/>	Forward Reject
<input checked="" type="checkbox"/>	JAMUI-WDC - 5 /2021-22	2021-22	28567	Total Afforestation	JAMUI	Kakan	undefined	<input type="text"/>	Forward Reject

Click on View Forwarded List of Work for viewing movement of forwarded Work Ids

This screenshot shows the "Forwarded List Of Work With Temporary Work Id" section. The header includes the Indian emblem, the project name, and the text "(TESTING SITE)". The main area displays a table of forwarded work items. The table has columns for Project, Year, Temporary Work Id, Name of Activity, Block, Village, Activity Type, and Currently at. The first row shows a project from 2021-22 with a temporary work id of 28568, and the second row shows another entry with a temporary work id of 28567. A note at the bottom states: "Note:- Temporary Work-Id is just for reference purpose. It would be deleted and New Work-Id would be provided after completion of Work by the SLNA."

Project	Year	Temporary Work Id	Name of Activity	Block	Village	Activity Type	Currently at
JAMUI-WDC - 5 /2021-22	2021-22	28568	Ground Water recharge Structure	JAMUI	Udaipur		SLNA(Bihar SLNA)
	2021-22	28567	Total Afforestation	JAMUI	Kakan		SLNA(Bihar SLNA)

9.6 Work Id (SLNA Level for Approval)

9.11 Add Quarterly Target

- Select project and financial year from the dropdown menu and click Get details button
- After that you will see the annual target of the indicator's
- Enter a quarterly target of Indicator's wise
- Fill in the physical annual targets / baseline survey quarterly targets, ensuring that the quarterly targets should not exceed the physical annual targets / baseline survey
- After filling the quarterly targets of the indicator's, save the data as draft
- After that check all quarterly targets data then click on Forward to SLNA button

The screenshot shows a web browser window with multiple tabs open. The active tab is titled 'Add Quarterly Target'. The page header includes the logo of the Ministry of Rural Development, the Pradhan Mantri Krishi Sinchayee Yojana 2.0 - MIS, and the Digital India logo.

The main content area is titled 'Add Quarterly Target' and contains a table for entering quarterly targets. The table has columns for S.No., Indicator's Name, and four quarters (1st Quarter, 2nd Quarter, 3rd Quarter, 4th Quarter) along with an Annual Target column.

Below the table, there are two buttons: 'Draft' and 'Forward to SLNA'. A note at the bottom states: 'D=Draft, S=S=Forward to SLNA, C=C=Completed'.

The left sidebar contains a navigation menu with various options such as 'Add Initial Project Details', 'Base Line Survey', 'Physical Plan and Achievement', 'Progress during Project implementation', 'PFMS', 'Reports', and 'Status of Work-Id'.

S.No.	Indicator's Name	1st Quarter	2nd Quarter	3rd Quarter	4th Quarter	Annual Target
1	Area of degraded land treated (in ha)	5.00	6.00	7.00	8.00	0
2	Rainfed area developed (in ha)	6.00	7.00	8.00	9.00	0
3	Area covered under diversified crops / change in cropping systems (in ha.)	7.00	8.00	9.00	10.00	0
4	Area brought from nil / single crop to double or more crop (in ha.)	8.00	9.00	10.00	11.00	0

Add Quarterly Target

Data Successfully Forward to SLNA.

Project:	--Select Project--	Financial Year:	--Select Financial Year--	Get Details					Annual Target
S No.	Indicator's Name	1st Quarter	2nd Quarter	3rd Quarter	4th Quarter				
1	Area of degraded land treated (in ha)								
2	Rainfed area developed (in ha)								
3	Area covered under diversified crops / change in cropping systems (in ha.)								
4	Area brought from nil / single crop to double or more crop (in ha.)								
5	Increase in cropped area (in ha.)								
6	Increase in farmers income (per annum) (%)								

9.12 Quarterly Target (SLNA Level for Approval)

- Click on Approval/Rejection of Quarterly Target
- Choose project and click on Get pending works button
- After that you will see the quarterly target
- Complete/Reject the quarterly targets by clicking on the tick boxes in front of the projects
- In case of rejection of quarterly target, remarks will have to be entered compulsory

Screenshot 1: Approval/Rejection of Quarterly Target - Step 1

The screenshot shows the 'Approval/Rejection of Quarterly Target' page. The left sidebar includes sections like State Profile and Capacity Building, Physical Plan and Achievement, and Add Physical Action Plan to Complete Project. The main area displays a table for PITHORAGARH-WDC - 5 /2022-23, showing four entries for different quarters. Each entry has a checkbox labeled 'Select All'. The columns are Project, Fin. Year, Quarter's, Remarks, and Action (Complete or Reject). Buttons at the bottom include 'Complete' and 'Reject'.

Select All	Project	Fin. Year	Quarter's	Remarks	Action
<input checked="" type="checkbox"/>	PITHORAGARH-WDC - 5 /2022-23	2022-23	Quarter1	[Empty]	Complete Reject
<input checked="" type="checkbox"/>	PITHORAGARH-WDC - 5 /2022-23	2022-23	Quarter2	[Empty]	Complete Reject
<input checked="" type="checkbox"/>	PITHORAGARH-WDC - 5 /2022-23	2022-23	Quarter3	[Empty]	Complete Reject
<input checked="" type="checkbox"/>	PITHORAGARH-WDC - 5 /2022-23	2022-23	Quarter4	[Empty]	Complete Reject

Screenshot 2: Approval/Rejection of Quarterly Target - Step 2

A confirmation dialog box titled 'WDC-PMKSY' asks 'Do you want to Complete all Projects Quarters?'. It has 'Yes' and 'No' buttons.

Screenshot 3: Approval/Rejection of Quarterly Target - Step 3

The confirmation dialog box is now showing 'Quarters Completed successfully.' with an 'OK' button.

10. Progress during Project Implementation (Module)

10.1 Updation of Plot-wise Details

- Select project from the dropdown menu
- Select village from the dropdown menu
- Choose Plot no. / Survey no. / Gata no. from the dropdown menu
- Your entered data will appear below
- Click on Delete/Edit button to update and delete the data
- For new entry, chosen season and select crop type from drop down menu and fill description and click on Add Crop Details button
- After that you will see newly added entry and you can also delete new entries, for this click on delete button and click on update button to add

[Save as Draft](#)

Draft List of Activities With Work Id

Work-Id	Name of Activity	Block	Village	Action
1	Fruiticulture	TOSHAM	Dang Khurd(29)	Delete
2	Fruiticulture	BHANDER	Kyolari	Delete

[Complete](#)

10.13 View the forwarded procedure of EPA/Livelihood/Production System

- Select project and heads from dropdown menu
- Check the draft list of activities along with the work-ids. If any wrong work-id is created, then delete it as work-ids cannot be deleted after the approval process
- After checking the work-ids, forwarded it to your WCDC for approval

The screenshot shows a two-step process for managing work-ids:

- Step 1: Create Work-Id (EPAs/Livelihood Activities/ Production System)**
- Step 2: Forwarding to WCDC**

Step 1: Create Work-Id (EPAs/Livelihood Activities/ Production System)

This step involves creating work-ids for various activities across different blocks and villages. The interface includes a sidebar with navigation links and a main panel for entering activity details.

S.No.	Name of Activity	Block	Village	Land Identification	Action
24	Others	INDUS	Santara	T1	Delete
25	Others	PATRASAYER	Bagmari	T2	Delete
26	Renovation of ponds/ temple tanks	PATRASAYER	Sekendar Chak	T3	Delete
27	Borewell and Hand Pump	RANIBUNDH	Rajakata	T4	Delete
28	Borewell and Hand Pump	BANKURA-I	Ramjbanpur	T5	Delete

Step 2: Forwarding to WCDC

A confirmation message "Work-Id Forwarded to WCDC Successfully!" is displayed. The forwarded work-ids are listed below.

S.No.	Name of Activity	Block	Village	Land Identification	Action
24	Others	INDUS	Santara	T1	Delete
25	Others	PATRASAYER	Bagmari	T2	Delete
26	Renovation of ponds/ temple tanks	PATRASAYER	Sekendar Chak	T3	Delete
27	Borewell and Hand Pump	RANIBUNDH	Rajakata	T4	Delete
28	Borewell and Hand Pump	BANKURA-I	Ramjbanpur	T5	Delete

By clicking on “View forwarded list of work-ids” the PIA user can see the details of forwarded work-ids details

This screenshot shows the "Forwarded List of Work Id" page, which displays the work-ids that have been forwarded to the WCDC.

Project	Work Id	Name of Activity	Block	Village	Currently at
BANKURA-WDC - 21 /2023-24	24	Others	INDUS	Santara	WCDC(Omialta)
	25	Others	PATRASAYER	Bagmari	WCDC(Omialta)
	26	Renovation of ponds/ temple tanks	PATRASAYER	Sekendar Chak	WCDC(Omialta)
	27	Borewell and Hand Pump	RANIBUNDH	Rajakata	WCDC(Omialta)
	28	Borewell and Hand Pump	BANKURA-I	Ramjbanpur	WCDC(Omialta)

10.14 EPA/Livelihood/Production System (WCDC Level for Approval)

- Select project and heads from dropdown menu and click Get Pending works button
- If you want to approve/reject the work-ids for one by one projects, then tick the tick box in front of the project or complete/reject all by ticking “Select All” for all
- Mandatorily put remarks if in case of rejection and click on submit button
